Amonda was a gentle soul. We were cousins but didn't see one another often other than at family get togethers. She will be missed by all who loved her.Sincerelym Dixie and Larry Oden

Even though we were miles apart, Amonda would always light up my heart when I would think of something she had shared in conversations with her. She was always upbeat, funny and loving. She loved her family deeply and will be greatly missed. Amonda, from "your favorite cousin in Oklahoma", fly high and be that shining light from above; I'll see you again! You will be forever loved.
