# Tristen Halbbrook

APR 26, 2001 - NOV 22, 2025

**T**risten Halbbrook passed away on Saturday, November 22, 2025 at his residence in St. Louis, Missouri at the age of 24.

Tristen was born on April 26, 2001 in St. Louis, Missouri.

He is survived by his parents: Dion and Lorrie Sarandos; siblings: Danielle (Kodiak) Quick, Billy Sykes, Jimmy (Jessica) Atkins, Corey (Heather) Atkins, and Millie Connor.

He was also a uncle to: Saylor Quick, Kanon Quick, Van Atkins, Layla Atkins, Isaiah Newcomer, and Rylee Atkins; and friend to many.

He cherished every moment spent with his family and held a lifelong love for gaming. Tristen enjoyed sharing meals—often finishing his own and everyone else’s—with the people he cared about. He loved spending time with friends, going to the movies, and starting his mornings with a peaceful walk through the park, coffee in hand. He never met a stranger and had a gift for making new friends wherever he went.

Tristen also had a creative spirit. He was very artistic and enjoyed drawing, often expressing himself through his artwork. His curious mind led him to research widely, especially topics involving world affairs and religion. He had a passion for cars and motorcycles, enjoyed fishing, and found comfort in listening to music.

Above all, he lived life with enthusiasm and a big heart, leaving a lasting impression on everyone who knew him.

A Celebration of Life will be held on Saturday, November 29, 2025, at 11:00 am at Hughes Funeral Alternatives, 3211 Sublette Avenue, St. Louis, Missouri 63139. Visitation will be held from 10:00 am until time of service.

Rest well, Tristian. I'll miss seeing you every Monday, Wednesday, and Friday and all the little things that made you you—your love of KFC biscuits and the way you were always forgetting your phone. Those small moments meant more than you knew. I hope you've finally found peace, with no more pain and no more worries. You'll be remembered with kindness, warmth, and love.

My heart goes out to the Sarandos family. Through everything Tristen had to face in his life, Dion and his entire family were there for him. . . no matter what. I was fortunate enough to be in "T's" early life. I was blessed to watch him grow from the curly headed, big brown eyed giggly 3-year-old to a youngster that was full of energy, joy, and laughter. Watching him on his minibike "jumping the hill" in the front field like my brothers had done before is a memory I'll always cherish. Rest in Peace, "T." You'll always have a piece of my heart. In the spring, I will plant a Redbud tree by the "hill" in "T's" memory. Condolences are sent from my family: Mark Farmer and Eddie and Judy Nurnberger, Jenna and James Dauer, Jeffrey, Nicole, and Walter John Nurnberger wish you all peace and comfort. Love Karla

I used to teach tristen at daycare and babysit him. Tristen could light up a room bring you up and make you smile if you were down. He had a mischevious grin at times. I remember watching him and we were jumping on the trampoline and i went off and down he was there making sure i was ok and another time we went to the oakland house for christmas and he just was so excited at everything happenning. Was the best sidekick you could have. Tristen will always live in my heart happy heavenly hugs being sent.
